

# The Foundation for Dental Laboratory Technology Needs Your Support

**W**e Need Your Support for The Foundation for Dental Laboratory Technology

The Foundation for Dental Laboratory Technology is a new non-profit organization, started and initially funded by NADL, which is committed to advocating and raising awareness for the necessity of dental laboratory technology education for dental technicians and other effected members of the dental team. The Foundation will provide scholarships to interested candidates for advanced education and will develop educational programs that will be relevant and accessible to both dental technicians working in the laboratory setting as well as dental laboratory technology students.

Please help us support this important effort. Contributor's names will be listed on the NADL Web site (at [www.nadl.org](http://www.nadl.org)) and on our Website [www.dentallabfoundation.org](http://www.dentallabfoundation.org).

To contribute, complete this form and fax it to The Foundation at 850-222-0053 or you can mail the completed form to:

**The Foundation for Dental Laboratory Technology**
