

Myerson Grant Application

Deadline: April 1, 2023

BACKGROUND:

The Foundation for Dental Laboratory Technology (Foundation) is a non-profit 501c (3) organization. The purpose of the Foundation is to advance the profession of dental laboratory technology by addressing industry driven needs and providing solutions that are relevant and accessible to dental technicians and other members of the dental team.

Myerson, headquartered in Chicago, IL is a globally recognized dental manufacturing company that specializes in the removable prosthetics market, offering materials and equipment for fabricating flexible partial dentures and sleep appliances.

GRANT OVERVIEW:

Myerson has generously donated one FlexPress Advanced Kit (\$5,050 market value) to the Foundation, to be offered in the form of a grant, to an educational institution with a dental laboratory technology program. This system is used to inject a wide variety of metal-free appliances, including flexible partial dentures, clasps, unilaterals, and temporaries. The Myerson Grant will award one school a FlexPress Advanced Kit, which consists of the following:

- FlexPress Machine
- (1) Flask
- (1) DuraFlex 6-Pack Medium Size Cartridge
(any shade)
- (1) DuraCetal 6-Pack Medium Size Cartridge
(any shade)
- (1) VisiClear 6-Pack Medium Size Cartridge
- (1) Thermoplastic Model Separator
- (10) TMS Swabs
- (10) TMS Trays
- (1) Release Compound
- (1) Cleaning Brush
- (1) Air line (10 ft.)
- 3-Year Warranty

Additional information about Myerson and their products can be found at <https://www.myersontooth.com/>.

REQUIREMENTS:

- The applicant must be an educational institution with a dental laboratory technology program.
- Applications must be received by April 1, 2023. No extensions will be given.
- The Myerson Grant recipient must redeem the FlexPress Advanced Kit by June 30, 2023. If the recipient fails to redeem the grant by this date, they will forfeit their grant.
- The Myerson Grant recipient will be required to provide the Foundation with testimonial (web video submission or typed submission on letterhead paper) about receiving the grant and how this experience will positively impact the DLT program, the students, and the profession.
- The Myerson Grant recipient will be responsible for purchasing any materials required to utilize the FlexPress Advanced Kit that is not listed in the description above.
- No cash will be provided to the grant recipient.

INSTRUCTIONS:

1. Please type or print all answers clearly in ink.
2. Use extra sheets of paper if you need more space for requested information.
3. Be honest, accurate and thorough in completing all sections of this application. The Myerson Grant is awarded at the sole discretion of the Foundation Board. The Foundation reserves the right to reject any application if the Board has evidence that the applicant has made a false or misleading statement in the application or any supporting document.
4. Applications must be received by April 1, 2023 to be considered.

I. Applicant Information

Name of Organization: _____

Mailing Address: _____ City: _____ St: _____ Zip: _____

Telephone: _____ E-mail: _____

Applicant Name: _____ Applicant Title: _____

Program Title: _____

II. Program Information

- a. Is the DLT Program, or its institution, a member of NADL? Yes No
If yes, please list your NADL Member #: _____
- b. Is the DLT program CDL certified? Yes No
If yes, please list your CDL #: _____
- c. Does the faculty/staff hold a current CDT/RG certification? Yes No
If yes, please list CDT/RG #s: _____
